KB-M200
Multimedia keyboard with eight hot keys

Genius®
Live with Ideas

The new generation multimedia keyboard from Genius, KB-M200 is designed to accomplish your media activities with enjoyment and ease. The low-profile keycap structure provides maximum typing comfort; and there are eight hot keys for media control and Internet usage. The classic black color is a perfect match for any PC and LCD display. KB-M200 is expected to be one of our most popular multimedia desktop keyboards this year.

You can contact your sales representative for more information about KB-M200.
