

SlimStar C110

Slim desktop kit

Genius
Live with Ideas

The latest slim wired desktop keyboard combo from Genius, the **SlimStar C110** is an elegant black finish designed for Windows 7. A silent keycap structure provides great tactile feedback (just like a notebook) and low noise comfort during typing.

The keyboard is designed against accidental spills so go ahead and put your drink near it. The high precision optical mouse – NetScroll 200 helps you to increase your working efficiency without much tension on you wrist.

SlimStar C110 is a slim combination of wired keyboard and mouse desktop kit that brings enjoyment and working efficiency to your life. Ask your sales representative for more information about **SlimStar C110**.
